

Ivan Tenev

*ON THE TRANSCRIPTION OF SOME NORWEGIAN PROPER NAMES
INTO BULGARIAN*

The article examines some problems relating to the transcription of Norwegian proper names into Bulgarian. The author sets forth the need for adopting common rules for rendering Norwegian names into Bulgarian. Several problematic transcriptions are discussed, including high-frequency proper names occurring in contemporary non-fiction – the names of the members of the Norwegian royal family, high-ranking officials and sportspeople.
