*DR. PETAR BERON AND THE FIRST EDUCATIONAL PROJECT IN BULGARIA*

*The author traces back the attitudes towards education amongst the Bulgarians and the activities of Dr. Petar Beron after the publication of his *Рибен ъквар* [Fish Primer] in 1824. The paper discusses an appeal of Dr. Petar Beron to his compatriots in which he suggested a project for implementation of educational practices meeting the needs of the Modern times. Also, sources are considered in the paper that witness Petar Beron's donations of books and money for Bulgarian schools.*
