*THE TRADITIONS AND CURRENT SITUATION OF TEACHING BULGARIAN  
LANGUAGE IN MASARYK UNIVERSITY OF BRNO*

*The paper presents the traditions in teaching Bulgarian at Masaryk University. It points also a new aspect in teaching the so called “small” Slavonic languages and in particular Bulgarian language for foreigners – the e-learning, its advantages and disadvantages and possibilities to integrate it in the university philological teaching, as well as its contribution to the study process of Bulgarian for foreigners.*

*Keywords: Bulgarian studies, small Slavonic languages, new technologies, Bulgarian for foreigners, e-learning, blended learning*
