WHY SHOULD WE READ BORIS YOTSOV?
A Scientific Project

Abstract:

The article approaches aspects of the life and personality of Professor Boris Yotsov – undeservedly forgotten. It motivates the necessity of a deeper and comprehensive study of his life-work by presenting a research project whose main purpose is to analyze and publish the academic heritage of Boris Yotsov. The project is entitled “The Bulgarian Literary Pantheon and the Slavic World in the Academic Legacy of Boris Yotsov: A Reconstruction of Ideas”.

It also outlines the two main tasks of the project:

1. The return of Boris Yotsov to Bulgarian Humanities,
2. The return of Boris Yotsov to Slavistics.

Keywords:

literary pantheon, scientific heritage, humanities, Slavistics, history of literature
